FRIDAY NIGHT SINNER

Dear *Mayfair*,

I work for a small logistics firm that's been busier than ever over the last few months, with the result that I've been getting home late from the office at least once a week, but usually more like two or three times. It's not as bad as it sounds, though, because a lot of the time the only other person in the office is Rosie, a big-boobed MILF in her late 40s whose dirty sense of humour always helps the time pass and on whom I've developed a bit of a crush, not least because she's so unlike my rather demure wife Jen.

Anyway, one particular Friday evening last month it was shaping up to be another late one, and as per it was just me and Rosie left in the otherwise deserted office. By way of making a bit of chit-chat, I asked her if she had any plans for the weekend.

"No such luck," she replied, with a chuckle. "I was going to be seeing Bill (her on-off boyfriend), but he's only gone and shacked up with some little tart, so all my plans for a dirty weekend have been shot down in flames."

> SHE UNBUTTONED THE FRONT OF HER BLOUSE AND PRESENTED HER BRA-CLAD WHOPPERS TO ME.

"Oh, I'm sorry to hear that," I replied. "Although to be honest I always thought he sounded like a bit of a tosser. I wish I knew someone who could step into the breach for you!"

"Well if you were a real gentleman, you'd offer to do it yourself," she said with a wink, and, like so many times before, I felt my cock give a twitch as I wondered whether her flirty ways masked a more serious intent.

"I'm sure with those boobs of yours I'm sure you could find yourself somebody more suitable than me," I replied.

"Oh you are, are you?" she said, standing up and walking over to me. "You do know you could get yourself into a lot of trouble for commenting on my boobs, don't you?"

A moment's panic as she said this was followed, almost instantly, with a rush of bewildered joy as she asked, "Besides, you can't comment on them unless you've actually seen them now, can you?" And with that she unbuttoned the front of her blouse and presented her bra-clad whoppers to me for inspection.

"Oh!" I heard myself mumble, feebly, as she stood brazenly in front of me, with what looked like a couple of F-cups clad in a lacy bra on view and just demanding to be fondled.

"Well?" she asked. "Are you gentleman enough to step into the breach for me?"

I didn't need any more encouragement, and I reached up and cupped her heave mams, marvelling in the weight of them and desperate to unleash them from their lacy confines.

As if she could read my mind, Rosie reached behind her back and, as she unclasped the catch, her wonderful boobs spilled forth, their brown nipples already stiffening and begging to be sucked. After rolling them between finger and thumb for a few minutes, teasing them to stiff organ

NEW YEAR'S STEVE

Dear *Mayfair*,

I've been buying top shelf mags for over 30 years now, ever since I was an eager 18-year-old who took the best part of a week to pluck up the courage to get my first one from a garage, and in all that time *Mayfair* is the one I've returned to most often. Although for me you can't beat the physical product, I've appreciated the convenience of getting the mag digitally, and the click of a few keys is a lot easier than heading out to a garage or shop. Anyway, as we head into 2021 after a pretty appalling 2020, I just wanted to drop you a line to say a big thank you for all the stunners you've brought us again this year, with that tremendous set of Amy Green in 55.08 rounding off another top notch year. Wishing you and all your other readers a happy and healthy new year!

Steve, via email.

stops, I leant forward and sucked her left teat deep into my mouth.

"Ooh, you naughty man!" Rosie murmured as she wrapped her arms around my head and pulled me closer to her, until it felt like my whole face was completely enfolded in her creamy tit-flesh. It was as much as I could do to breath, but I kept on licking, sucking and lightly nibbling at her rubbery nipple as if my life depended on it, while at the same time starting to slide my hands up her thighs and under her skirt, until I was grappling with her ample bum cheeks.

"So is there anything else you'd like to taste other than my boobs?" she asked, finally releasing me from her vice like clamp and looking me in the eye.

"I'll taste any part of you you want me to!" I replied with a grin, and Rosie smiled too.

"Well, in that case perhaps you'd better give my fanny a tonguing. It's very wet, and if I like the way you lick it I might just let you stick your prick in it!"

It was an invitation no red-blooded man would turn down, and I got the ball rolling by grabbing her silky knickers and tugging them down over her thighs and knees, until she could step out of them, hitch her skirt up, and sitting on the empty desk next to mine, lay back on her elbows and spread her thighs.

The sight that greeted my eyes was the sexiest I'd ever seen. Her neatly trimmed snatch with a glistening pair of dark pink pussy lips already open and receptive – all topped off by a clearly pronounced clit that, after admiring the view for a few moments, I leant forward and flicked with the tip of my tongue.

"Mmm, you know the best way to make a lady come alright," Rosie sighed, pushing her crotch further towards me and grinding her clit against my tongue. My chin was soon awash with her juices as she started to simper, and so now and again I'd take time out from working her clit to delve my tongue deep into her velvety slot to slurp out the sweet nectar that seemed to be pouring from her.

Suspecting that Rosie was pretty broad-minded about this sort of thing, I first eased a couple of fingers into her sodden tunnel to lube them up and then, as I resumed teasing her clit, I circled her tight bumhole with them before pushing them into her arse, right up to the knuckle. She gave a jerk and a groan and, once again grabbing my head and pulling into her, shuddered through a massive orgasm, her fanny cream smearing my face completely as she convulsed for what felt like about 10 seconds before she finally started to regain her composure.

"Was that good enough for you?" I asked, and she laughed.

"Yes, I think you've passed the test. Now get that prick of yours inside me and give me everything you've got!"

I unbuckled my trousers and yanked them and my pants down in double quick time, to reveal a cock that was already thickly smeared with pre-come and swollen beyond anything I could remember for years! I knew I wouldn't be able to last long, but I wasn't going to stop now, and lining the tip of my prick up with her sodden slot, I leant forward and pushed myself inside her with one smooth movement until I was ball-deep in her slippery snatch.

"Come on then Dave – give me a fucking to remember!" Rosie urged as I set to, not bothering to control my pace as I started slamming into her. She was so wet there was hardly any friction at all, which was just as well because it was the only thing that stopped me coming in about three strokes. Instead I was able to keep things going for a good couple of minutes, even lifting her legs up and resting them against my chest as I plundered her dripping honeypot.

In the end, though, I could last no longer. "Where do you want my spunk?" I gasped as I felt the seed starting to rise.

"Wherever you like, lover!" she grinned. "Give it to me wherever you want to!"

I didn't have long to think as my balls tightened, but it felt so good being buried deep in her hungry cunny that my mind was made up in an instant and, with a final powerful thrust I started to pump her full of my jizz. I felt my cock twitching inside her as spurt after spurt of the stuff jetted into her welcoming womb, until at long last I was spent, and I collapsed on top of her, panting and laughing.

"I always knew you were a proper gentleman," Rosie smiled before giving me a deep kiss, her tongue snaking into my mouth and causing my drained prick to give one final jerk in her juicy box. "I guess I'll be able to manage without Bill this weekend after all!"

Since that day it's become a bit of a Friday night regular for us, whenever there's nobody else about… which is most weeks, I'm delighted to say. Rosie's not after anything serious, and neither am I, but we're both going to make the most of it while we can.

Dave, Runcorn.

THE THIGH'S THE LIMIT

Dear *Mayfair*,

Just over a year ago I was at an old mate's wedding, when I bumped into my ex-wife's younger cousin, Katie.

She's only 26, but has always been on the flirty side with me. She has shoulder length brown hair, greeny blue eyes, full sexy lips and a body that would make any grown man drool!

Anyway, as I said, whenever I spoke to Katie she was always pretty flirty, although I was never really sure if she was just cock-teasing. To be honest I suspected the former, but as we chatted, Katie asked me if I fancied a dance, and while I certainly did, I told her I'd have to pass, thanks to a thigh injury I'd picked up playing tennis a couple of weeks earlier.

She looked at me for a moment before saying, "I've just started working at a beauty salon in town – if you come along next Monday I'll be able to give you a special aromatherapy massage that should help your thigh."

I don't know whether it was her use of the word 'special' that aroused my interest, but either way, there was no chance of me turning down an offer like that, and Katie's eyes seemed to twinkle as I told her I'd definitely be there.

For the whole of the following week I couldn't think about anything apart from Katie's pretty face, sexy legs and curvy little bum – I swear my cock was never soft for more than about 10 minutes before I remembered our appointment the following Monday.

After the longest 8 days of my life, the Monday morning finally arrived, and I presented myself at the salon, where I was shown into a private treatment room by the middle-aged receptionist, who told me to undress and lie face down on the table and cover my lower half with a towel, adding that Katie would be with me in a few minutes. I did as I was told and lay there, an unwanted stiffy pressing into me, for about five minutes before she walked in. She looked a million dollars, in a formal looking tight white tunic that came down to the tops of her bare, tanned thighs, while her juicy tits pressed against her tight top, seemingly eager for release.

After exchanging a few pleasantries Katie told me to put my head down and relax, which was easier said than done. She started by massaging the backs of my legs, rolling up the towel as she went along until it felt like it was barely covering my arse. I was pretty sure she must have a good view of my bollocks, and I was desperate for her to massage them, so I gently allowed my legs to fall open slightly further to make it easier for her – but her hands always came short as she worked on my upper thighs. Only once did her finger brush against my ball-sac, and I couldn't help giving a sigh of pleasure, but much to my frustration it didn't happen again. Then she covered my legs with the towel and moved up to massage my back.

"Oh well," I thought, "so much for that!"

While she'd been doing my legs my cock had been rock hard, but now she started on my back and shoulders I was soon completely relaxed, and the old man followed suit. So I'd got the wrong idea – but at least this was still a damn fine massage.

Once she'd done my back she told me to turn over, even holding the towel up so I wouldn't be exposed to her, which rather reinforced the idea that I was in for an ultra-professional massage.

Now I was on my back I had a better view of the room, and also of Katie, who had her back turned to me and was bending over preparing some more oils, which gave me a great chance to eye up her perfect, long tanned legs running all the way up to the sweet outline of her arse cheeks, which her uniform barely concealed.

Looking back over her shoulder, I'm sure she caught sight of me ogling her, and she

We all spent plenty of time stuck at home in 2020, and while some used it as excuse to start making banana bread (when did that ever become a thing, btw?), Mayfair favourite Zara Mae's clearly got more important things to keep herself occupied in the kitchen – like peeling out of a saucy lingerie set and giving us an eyeful of her magnificent bod!

"Yes, I have to admit, cooking's not quite top of the list of things I like doing in the kitchen!" she grins, giving her fanny a little rub just to make sure we understand what she's got in mind.

PENNY'S FROM HEAVEN!

Dear *Mayfair*,
What a treat to see Penny Lee back in Mayfair again in your latest issue. I've been a massive fan of hers since I first clocked her all the way back in volume 48 issue 11 (no, I haven't got total recall – I've got the issue right here with me, along with all the others she appeared in!). As well as her incredible body, I always thought there was something about her face that meant she had to be a lovely person, quite aside from an incredibly sexy one. That cheeky smile, perhaps? Either way, please pass my regards onto the lady herself, and keep up the good work.
Mark, Blackpool.

smiled and asked me how I was enjoying it so far. I croaked that it was great, thanks, hoping that she wouldn't notice the swelling of another enormous hard-on under the heavy white towel!

She set to work on the front of my legs, easing the towel further up my thighs as she went, until once again I could feel fresh air on my ball-sac. As before, her fingers ran close to my balls, but again, there was only one seemingly accidental brush against them. This time, though, I was able to eye up her sexy young body as she worked, making my stiffy ache even more as the top of her bra-less tits hung invitingly before my eyes. To be honest, by this stage I thought I was going to go round the bend!

Finally she finished my legs, and said, "I'll just do your chest and stomach – it's really good for the digestion."

Standing behind my head, she leant over me to roll the towel down my stomach, and I gulped as her firm boobs brushed against my face. Suddenly she let out a little yelp of surprise as she rolled the towel further, revealing my throbbing eight inch erection. I stammered some sort of apology.

"It's fine," she giggled, "it happens all the time with you guys. At least I know you're enjoying yourself!" And with that she covered it up again and began massaging my chest and stomach, her hands occasionally brushing against the sides of my cock as she ran them under the towel. Again I apologised, but again she told me not to worry, adding that she only wished she could get a massage herself as enjoyable as the one she was giving. Placing a hand on the back of her leg, I told her I'd be more than happy to reciprocate, but she didn't say anything, and just carried on working on my chest.

Slowly I slid my hand up her leg, massaging as I went, until it was under her tunic, where I made contact with one of her pert little cheeks. Far from protesting, Katie let out a breathy sigh, her face reddening as my hand continued on its journey towards her panties.

After what felt like an age I reached them, and slipped a couple of fingers inside, desperately seeking her tight little fanny. By this stage all pretence was finally over, and Katie left off my chest and moved her hands down to my aching cock and balls, grasping my thick shaft and slowly wanking it with one while softly rubbing my balls with the other.

I was also using both hands now, and slipped off her pink panties to reveal the sexiest little arse I'd ever seen. She was bent right over me now, going to town on my cock and giving me the perfect view of her cunny and little rosebud of an arsehole. I couldn't resist leaning up a bit and running the tip of my tongue over her bumhole – which made her squeal – and then on to her juicy pussy. Her hard little clit tasted so sweet as I nibbled on it, and Katie straddled my face properly then, at the same time wiping the oils off my cock with the towel and starting to run her tongue up and down my length. She also took a good bit of time sucking on my balls before finally taking my throbbing bell-end into her eager mouth. All the while I was lapping away at her sopping wet mound and occasionally rimming her delicious little arsehole, poking my tongue up as far as I could and making her squirm with excitement.

After few minutes of this she stopped, climbed off and walked round the side of the table before getting back on, this time facing me. Taking my hardness in her hand, she guided it into the warm confines of her slippery pussy before commencing to ride me, slowly and rhythmically. Reaching up, I unbuttoned her tunic, letting her pointy tits bounce free. As her rhythm picked up she leaned forward, allowing me to tease her stiff nipples with my tongue and teeth while slipping a hand round behind her to play with her arsehole, which drove her wild. I could tell she was about to come, and all of a sudden her eyes rolled back in her head and she did her best to stifle her moans as she came uncontrollably, spasming all over, the contractions of her sodden snatch gripping my cock deliciously.

When she'd finished coming I was all set to slam my cock into her and fill her with my seed, but she suddenly climbed off me, telling me she wanted to taste my spunk in her mouth. She didn't have much work to do, slipping her pretty lips back over my helmet and sucking gently on my oily prick, slurping off her own juices while stroking my shaft with both hands for half a minute or so before I could hold back no longer. I tensed all over as I felt a thick jet of my creamy come shoot into her mouth, followed by another and another. I'd been saving this up for over a week, but she managed to take it all, hungrily swallowing it down before licking my throbbing cock clean!

After that we cuddled up for a bit before getting straightened up. I've been back to have my 'thigh' massaged a couple of times a month ever since, and we're no longer confining the action to the therapy room, either. Best injury I ever picked up, I can tell you!

GRACE

Age: 26 **Vital Stats:** 34D-26-34 5'8"
Photographer: BBM

Talk about a twin/twin situation! Whenever we fancy getting Rosa in for a shoot and she cant make it, she's got a perfect substitute we can call in her twin sister Grace Lily... and, of course, vice versa! We'd hate to be accused of favouritism, after all...

"Well we might look pretty much the same, but we're not identical personalities, you know!" insists Grace. "For starters, we've got very different taste in men. Rosa likes them dark and brooding, while for me it's more about being fun-loving and having a sense of humour!"

Really? Well people often say I'm quite a funny sort of guy...

"Yes, I bet they do."

TECH'S APPEAL

Now that we've got Christmas out of the way it's time to start thinking about what 2021 tech to splash out on, so here's the gen for this issue!

DELL 32 CURVED 4K UHD MONITOR

Now that going into the office has become a distant memory for many of us, a lot of home-workers have been spending inordinate amounts of time tapping away at laptops, complete with their often rather piddly screens. Well if you've had enough of that, perhaps it's time to treat yourself to a decent monitor – and in a market if near uniform drabness, the Dell 32 Curved 4K stands out nicely. First off, of course, is the fact that it's curved, making it a lot more immersive than your old fashioned, flat screen – whether that's for when you're actually doing some work, or for when you're kicking back and treating yourself to an episode or three of *The Mandalorian* in your (now hugely extended) lunch break. With tiny bezels, you get plenty of screen and, at 4K, everything looks snazzy enough, especially when you throw in the Vertical Alignment technology which provides lusciously rich colours. And while we're on the subject of colours, the flicker-free screen has a feature that helps to reduce those nasty blue light emissions that can be such an irritant to the eyes over extended periods. Also putting it ahead of the field is the sound quality, which, while there is a jack to connect to headphones or speakers, really gives you all that you could ask for thanks to its pair of 5W speakers. There's also a handy Picture-in-Picture option that lets you keep abreast of two things at once. No fewer than 3 HDMI inputs are handy, too, and although the lack of a USB-C port is a bit remiss, you'll still relish sitting at the desk in your PJs gazing at it.

PRICE: £349

APPLE AIRPODS MAX

If you're one of the lucky few to have a few shekels left over after Christmas and want to, erm max out your budget in one fell swoop, Apple have got just the headphones for you! That's right, a quick glance to the bottom of this review does indeed reveal that the newest headphones from the tech giant do will set you back well over 500 quid, which has got to be more than any but the most confirmed Apple-junkie would want to spend on a set of cans, but to be fair to the boys and girls at Cupertino, you do get a pretty snazzy piece of kit for your wodge. As you can see, while they may be called Airpods, they're actually pukka headphones, and they're nicely put together ones at that, with extremely comfortable, memory foam-clad earcups that'll grip your noddle just tight enough to not worry about them slipping off when you're doing your laces up. They're a bit heavier than a lot of other top range noise-cancelling 'phones from the likes of Bose and Sony, but in a way that only serves to emphasize the build quality. Connectivity (via Bluetooth, of course – although there is a jack for using them on planes. The cable costs another £35!) is fast and simple, even with non-Apple devices... although if you want to be able to control the full range of features remotely, it will require an iPhone or suchlike. As you'd expect for the price, the noise cancelling is active, meaning a little microphone picks up the ambient noise and produces soundwaves to effectively render it inaudible, and it's right up there with the best on the market. As for the sound quality, the *sine qua non* when it comes to headphones... well, it's as near flawless as you'll find, meaning you'll listen with fresh ears to everything you love, whatever the genre. Battery life is good, too, with 20 hours of play from a 2 hour charge, but really, they're £200 more than a lot of the top spec oppo, so unless you're a fully signed-up member of the Apple fan club with cash to burn, you'll want to think long and hard before shelling out so much on your shell-likes.

"Yes, I'm so glad I finally let Colin talk me into trying a wife-swapping party!"

On hearing that her elderly grandfather has just passed away, Katie goes straight to her grandparents' house to visit her 95-year-old grandmother and comfort her.

When she asks how her grandfather has died, her grandmother replies, "He had a heart attack while we were making love on Sunday morning."

Horrified, Katie tells her grandmother that two people nearly 100 years old having sex will surely be asking for trouble.

"Oh no, my dear. Many years ago, realizing our advanced age, we figured out the best time to do it was when the church bells started to ring. It was just the right rhythm. It was nice, slow, and even. Nothing too strenuous, simply in on the ding and out on the dong." She pauses, wipes away a tear and then continues, "And if that damned ice cream van hadn't come along, he'd still be alive today!"

A man saw a lady with big breasts. He asked, "Excuse me, can I nibble your breasts for £1000?"

After a moment's thought she agrees, so off they go to a secluded corner. She opens her blouse and the man puts his face in her breasts for 10 minutes.

Eventually the lady asks, "Aren't you going to nibble bite them, then?"

He replies, "No, it's way too expensive."

MF

An old lady went to visit her dentist. When it was her turn, she sat in the chair, lowered her bloomers, and raised her legs. The dentist said, "Excuse me madam, but I'm not a gynaecologist."

"I know," said the old lady. "I want you to take my husband's teeth out."

MF

One weekend, a husband is in the bathroom shaving when the local handyman Billy he hired to mow his lawn, comes in to pee. The husband slyly looks over and is shocked at how immensely endowed Billy is. He can't help himself, and asks what his secret is.

"Well," says Billy, "every night before I climb into bed with a girl, I whack my penis on the bedpost three times. It works, and it sure impresses the girls!"

The husband was excited at this easy suggestion and decided to try it that very night. So before climbing into bed with his wife, he took out his penis and whacked it three times on the bedpost.

His wife, half-asleep, said, "Billy? Is that you?"

MF

A husband says to his wife, "I bet you can't tell me something that will make me both happy and sad at the same time."

The wife thinks about it for a few moments and replies, "Your dick is bigger than your brother's."

Did you hear about the bloke who invented the knock knock joke?
He won the no bell prize!

A young guy goes into a chemist's to buy condoms. The chemist tells him that the condoms come in packs of three, nine, or 12, and asks which ones the young man wants.

"Well," he says, "I've been seeing this girl for a while and she's really hot. I want the condoms because I think tonight's the night. We're having dinner with her parents and then we're going out. Once she's had me, she'll want me all the time, so you'd better give me the 12 pack!"

The young man makes his purchase and leaves. Later that evening, he sits down to dinner with his girlfriend and her parents. He asks if he may give the blessing and they agree. He begins the prayer, but continues praying for several minutes. Finally the girl leans over and says, "You never told me that you were so devout."

He leans over to her and says, "And you never told me that your dad is a bloody chemist!"

Studio flats might not be everyone's cup of tea, but when you're in one with someone as lovely as Lucy here they certainly come in handy. No sooner have you fixed yourself a cup of tea than you can adjourn to the sofa just a few feet away and make yourself comfy while the girl herself unveils her stupendous bod right before your eyes! She really is a corker, too, with those DD-cups easily enough to distract from the slightly disappointing, hurriedly made tea cup in your hand – and even when the milky slop did get too much to bear, you can still keep an eye on her shapely bum while fixing yourself a fresh cup. Talk about a win/win!

OLIVIA

Age: 27 **Vital Stats:** 32F-22-35 5'7"
Photographer: BBM

Mmm, here's someone we haven't seen for a while – since all the way back in volume 52, in fact! Still, we're delighted to see Olivia's looking just as hot as ever she did – if not hotter! So what's she been up to since we last crossed paths?

"Oh, I met a guy a couple of years ago who showered me with attention and we spent a good while living the high life, holidaying here, there and everywhere, but in the end I had to chuck him. He was great in lots of ways, but I'm not ready to be a one man woman just yet – so just you watch out all you horny guys out there!"

I DECIDED ON A 'STAY-CATION' THIS YEAR TO STEER CLEAR AEROPLANES DURING THE PANDEMIC...

I'M COMPLETELY LOST IN THIS FOG. THINK I'LL PITCH MY TENT EARLY AND WAIT IT OUT.

THE LADS AT CAMPING GROUNDS ALWAYS SAID WHAT A GREAT HELP I WAS TO THEM IN GETTING IT UP!

THANKS TO MY TENT, THERE'S NO CHANCE OF BEING CAUGHT NAKED IN PUBLIC THIS TIME!

THOOOOOM!!!

OH, FUDGE!

SSSSHOOOOO!!!

A NAKED PROTESTOR WAS ARRESTED AT HEATHROW AIRPORT TODAY FOR TRYING TO DISRUPT FLIGHTS.

NO, REALLY... I WAS TRYING TO AVOID THE PLANES!

When we first had the pleasure of meeting Bella and, well, watching her take her clothes off, it was just before the pandemic really got hold, and she was all excited about appearing in *Mayfair*. Well, a lot's happened since then, so we wondered if her life has been effected much by her debut in the mag...

"I suppose it has a bit, although it's mostly been virtually rather than in real life. I was looking forward to seeing if guys would recognise me when I was out and about, but then who's been out and about this year? Still, luckily for me I'm a big fan of phone sex and sexting, so I've had a few admirers get in touch with me that way. I call it scroll-play!"

Hmm, perhaps we'll tap you up!

SCENE from MAYFAIR

There's never much on the telly right after Christmas, is there? In fact there was precious little during it this year, either – so why not treat yourself to some decent viewing options?

TENET

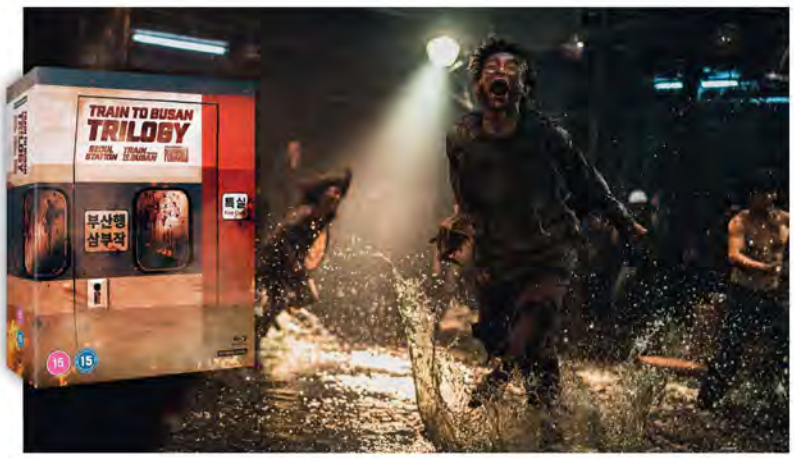
One thing you can't accuse Director Christopher Nolan of is a lack of ambition – not only has he made some of the boldest big screen blockbusters of recent times, from *The Dark Knight* to *Interstellar* and *Dunkirk*, but he also offered up this, his 2020 flick, as the big ticket item that would help pull cinemas through in a year of minuscule box office receipts. It was an uphill battle, though, and while receipts were respectable, the films whopping budget required more. Still, it's pretty easy to see where the budget went, with dazzling visuals thanks to the use of IMAX and 70mm film stock and an array of locations all making this by a country mile the biggest release of the year. The plot's a bit baffling, with John David Washington playing the nameless protagonist who has the knack of moving time backwards and forwards as he attempts to stave off a World War. You'll need to pay attention if you want to get your money's worth – and watch it on the biggest screen you can find!

THE MASQUE OF THE RED DEATH

A couple of issues ago we featured some titles starring two names synonymous with horror – Boris Karloff and Bela Lugosi, and this 1964 film also features two names intrinsically linked to the genre, star Vincent Price and Director Roger Corman, in what's possibly their most satisfying collaboration – and again it's an adaptation of an Edgar Allen Poe story (two, in fact). Price plays evil prince Prospero who lives in decadent splendour while his subject fall prey to the plague that's ravaging the land – and only adds to their woes with his sadistic appetites. Jane Asher's suitably overwhelmed as a put-upon peasant, but as well as a tremendous performance from Price, the real talent on show is that of cinematographer Nicolas Roeg, whose use of colour looks more dazzling in this spectacularly restored and re-edited version than ever before.

TRAIN TO BUSAN PENINSULA

Last issue we featured the daddy of the zombie genre, *Dawn of the Dead*, and now here we are with one of the latest additions to the canon. 2016's *Train to Busan* mashed up zombies with train-based actioners like *The Cassandra Crossing* to provide a thrilling two hours of entertainment and proving that Korean horror was capable of a lot more than creepy ghost stories. Peninsula, appropriately set 4 years after the original, sees 3 Korean soldiers returning to their overrun peninsula to try and snaffle $20m that got left behind, but run into a whole load of troubles while they're at it, with zombies, a rogue militia and an admirably still alive family in need of rescue all adding their various complications. Some great set pieces keep things ticking along thrillingly, and for proper fans there's even a snazzy trilogy box set, bolstered by *Seoul Station*, an animated prequel to the original. Sweet.



SMALL **AXE**

Director Steve McQueen made his mark on the big screen with 2013s unflinching *12 Years A Slave*, and it's matters of racial injustice that have again inspired him here, this time on the small screen (although the second in the series, *Lovers Rock* did get a brief film festival outing). Each tale is a retelling of real-life events centred in London in the 70s, 80s and 90s, a time when the police antagonism towards the black community could be particularly pronounced. The opener, *Mangrove*, deals with the famous 1971 case brought against 9 activists protesting against police intimidation who met at the titular restaurant in Notting Hill, which was tried at the Old Bailey. Their acquittal proved to be a landmark moment in the realisation that serious racism within the Met needed to be addressed. Each of the five episodes are magnificently realised, with McQueen and co producing a series a serious notch or two above your typical telly fodder, and with a cast that includes John Boyega, Shaun Parkes and Letitia Wright, it shouldn't be missed.

UPRIGHT

Aussie musical polymath Tim Minchin scored a massive hit with his witty take on the Roald Dahl tale *Matilda*, but he's done plenty of other things along the way, including this Australian-set series that aired on Sky Atlantic a while back and which has finally been given its home entertainment release for those of us who don't subscribe. Minchin plays a down-at-heel waster who's set off on a trip across the country with an old piano (the 'upright' of the title) in tow to deliver to his waning mother. Along the way he crosses paths with runaway teenager Meg (Milly Allcock) and the pair of them strike up a the sort of antithetical relationship that's the making of a good road story. As they make their way across the lovingly shot landscape getting into one scrape after another, the deft writing and great performances pull you gladly along in their wake and result in a genuinely pleasurable viewing experience.

LAUREL & HARDY **DEFINITIVE RESTORATIONS**

There's been some magnificent work done in the last few years on restoring many of the classics of early cinema, from Murnau to Buster Keaton (much of which we've reviewed here), and now attention has turned to perennial favourites Laurel and Hardy with this set, which features many of their best-loved releases, with cleaned and sharpened prints that look better than pristine, but also restoring lost edits of films that haven't been seen in their complete form aeons. In fact the quality of the images is almost disconcerting – it's hard to believe you're watching films that were made 80-90 years ago! Plenty of the pair's most beloved titles are included, with *Sons of the Desert* and *Way Out West* leading the way (no *Blockheads*, though, sadly), with shorts including *Brats, Towed In The Hole* and the Oscar-winning *The Music Box* all featuring, along with a magnificently restored *Battle of the Century*. There's tons of bonus material, too, making this a must-have for fans of the boys.

Ah, here we are with the first issue if 2021, and we really couldn't let the occasion pass without slipping in a gorgeous newcomer, could we? Not, sadly, that we actually did manage to slip in this gorgeous newcomer, but you can't have everything! Cindy clearly knew how to catch the Ed's eye – when her email arrived with a few pics of her dolled up in this very lingerie set, he was on the phone quicker than he is to his bookies on those rare occasions when he's decided his luck's in! Still, this time round it paid off, and we can all count ourselves lucky to have Cindy to admire!

MAYFAIR MOVIES

You've really got to admire the kind of dedication that keeps professional porkers heading into the office every day, even in the toughest of times!

WICKED PICTURES PRESENT ●●●●○
STILETTOS

EDITORS PICK

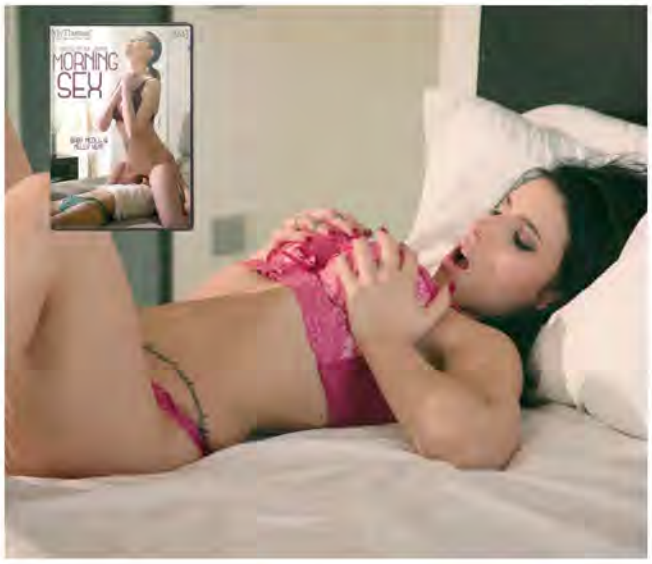
CAST
EVELYN CLAIRE
BUNNY COLBY
KARLA KUSH
EMMA HIX

As fetishy items of women's clothing, stilettos often get overlooked, probably on account of them being a fairly intrinsic part of most other kinky clobber. Still, here they come into their own, strapped as they are onto the feet of some of the sauciest sploshers in the business. Pale skinned beauty Evelyn looks stunning in her get up, writhing around on the bed alluringly until joined by a grinning stud, who nibbles her heels before tucking into her shaven snizz. A pretty standard (but nonetheless top notch) rooting follows, before the lucky fellow drops his load on her shiny shoes, with Evelyn licking them clean for good measure. Karla uses her shoes a bit more in the next scene, giving Ramon the odd footwank in them in between more mainstream antics. Bunny and Emma don't let things flag at all in this classy little offering.

PRIVATE PRESENT ●●●●○
OXFORD COLLEGE **GIRLS**

CAST
HONOUR MAY
LANA HARDING
ALEXIS CRYSTAL
EFFIE DIAZ
LARA LEE

Not long ago we got some Newtonian knobbing at Cambridge, and in order to even the score, it's off to Oxford we go this time. There's nothing too academic to get in the way of the pronging, though, with things kicking off with Honour taking a stroll through a park with a muscle bound Karl Drogo lookalike before they head back to his gaff, where she feasts on his rod at length before he slots it into her shaven slit for an energetic shafting. A few aerial shots of dreaming spires intermingle with Lara meeting up with her bespectacled boyfriend, before they too crack on. There's plenty of reverse cowgirl this time round before things culminate in a (second) creampie. Honour's back for the next scene, sharing a prick with pale-skinned blonde Lana, the mucky pair sharing a facial for their efforts, before curvy Effie enjoys a private tutorial with her prof. To end in style, Alexis finds herself in the middle of an interracial DP. Talk about a double blue!



VLT/METART PRESENT ●●●●○
MORNING **SEX**

CAST
BABY NICOLS
NELLY KENT
GISHA
CHERRY KISS
LUCY HEART

Why do you suppose guys often feel at their horniest first thing in the morning? Maybe after a good night's rest you've got all your energy back or something… but in any case, if this film is to be believed, it isn't just chaps who feel like getting, umm, up at the crack of dawn. In another signature all-girl-lesbathon, the Viv Thomas crew have assembled a cast of clam-curious cuties to treat us to an eyeful of their sapphic sessions. I'm not entirely sure all these scenes were filmed in the morning – there's definitely no bed head going on, and the girls are all nicely made-up, which suggests to me that it was probably more like lunchtime when the action takes place, but for all that there's no doubting the enthusiasm with which these eager flampers set about fingering and slurping each other's snizzes. Baby Nicols is especially worth keeping an eye out for in her two scenes, but really, this 4k offering is spot on from start to finish.

Any Editor worth his salt would have made sure a girl with a name like Holly appeared in the issue that was out just before Christmas, but here at *Mayfair* we like to do things a bit differently. On the other hand, it's quite likely we did it a year or two ago, and have, therefore, run out of lame Holly puns to stick on the cover. Either way, an appearance from the curvy, south coast-based lovely is always extremely welcome, and is sure to help us along the way to forgetting what an abysmal year 2020 was.

"I'm not sure I can manage that, but if I can put a smile on a few faces now 2021's here, that'll do me!" she grins.

Well that's never going to be in doubt!

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Although I love him dearly, my husband Terry has never been able to keep up with me sexually. He's a good few years older than me, and early on in our marriage it caused a fair bit of tension. But then along came our two kids and we sort of put those issues behind us for a few years. Now that the kids are a bit older, though, I was starting to get more and more frustrated and even came close to throwing in the towel with Terry until, in a heartfelt conversation I'll never forget, he told me he'd perfectly understand if I wanted to cheat on him now and again and that, furthermore, he'd prefer it if I did that to leaving him. Well, I was a bit taken aback at first, but the more I thought about it, the more I realised that it would be the best – possibly the only – way to save our marriage.

Name: 'CHLOE'
Age: 39
From: COVENTRY

After that I started making room in my diary for what we both rather euphemistically referred to as 'A night out with the girls'. Occasionally that actually was what I did, but more often than not it was an opportunity for me to explore my sexuality with other people, without Terry having to fully confront the fact of what I was up to. Still, he must have known in his heart of hearts – not least because of all the effort I'd go to to get myself looking my best for those nights out.

I could probably fill a book with the exploits I've got up to since then, but I'll confine myself to perhaps my horniest experience when, after what ended up looking like it might be a fruitless night, I ended up going home with not one hunk but two!

I'd been eyeing the pair of them up for a while as they sat at a table near mine in a pub in the town centre, and for a while I feared they might be a gay couple. Eventually, though, the slightly older one caught me gazing in his direction and gave me a friendly wink. A few seconds later I saw his mate turn round and give me a surreptitious glance. I'd often fantasized about having two guys at once, and now, I realised with both trepidation and unalloyed lust, was probably going to be my chance.

> IT HAD ALWAYS BEEN A FANTASY OF MINE TO HAVE A COCK IN EACH HAND AND SUCK THEM IN TURN...

Sure enough, about five minutes later, after a few more lustful glances, the younger guy came over and introduced himself.

"Hi, I'm Greg. Me and my mate Joel couldn't help noticing you seemed to be on your own, and wondered if you'd care to join us for a drink or two..."

I certainly did care to, and was soon sitting between the lads as they turned on the charm, doubtless both trying to impress me more than the other. I have to say, I was loving all the attention, but after a couple of drinks I was starting to feel so turned-on I knew I had to move things along.

"Look guys," I said, "you're both very cute, but really, I can't decide which one of you I fancy more, so perhaps, if you wouldn't mind sharing…?"

They gave each other a priceless look before Joel said, "When you say sharing, you mean…?"

"Both of you sharing me – at the same time!" I replied, resting a hand of each of their thighs just to reinforce the point.

Within a minute they boys had gulped down their drinks and the three of us were walking back to Joel's flat, by the time we got there my pussy was already absolutely sopping wet as thoughts raced through my mind of what I'd soon be getting up to.

Once we were inside I took control. "Seeing as there's two of you and only one of me, I think it's only fair that I should be in charge!" I instructed, and they were happy enough to comply.

"Right, I want to see both your cocks, please!" I continued, and, with a slightly embarrassed look towards each other they undid their flies and fished out their pricks, both of which already semi-erect and ready for sucking. It had always been a fantasy of mine to have a cock in each hand and suck them in turn, and, without any further ado, I knelt between them and, grabbing their thick prongs, pulled them towards me until I was able to lean from one to the other and tease them with the tip of my tongue while gently tugging at their shafts.

Thinking of this as the *hors d'oeuvres* before the main event, I decided I'd keep going until the boys were beyond the point of no return, so gradually I increased the ferocity of my sucking and wanking, taking each cock deeper and deeper into my throat, coating them with saliva and even, on occasion, cramming both their helmets into my mouth at once.

Sure enough, after a few minutes of this, Greg withdrew his prick and warned me he was going to come if I didn't stop.

"That's alright," I said, grabbing his shiny pole and pulling it towards me again. "I'm in no hurry, and I'm sure you can manage two loads tonight, can't you?"

He nodded and, as I felt his prick start to jerk, I slapped his helmet against my tongue just as the first thick jet of his creamy spunk shot out, splattering against the roof of my mouth. Gulping that first load down, I clamped my lips around his shaft as he continued to spurt, groaning loudly as he filled my mouth with his seed.

The sight and sound of all this was clearly too much for Joel, who's prick now pressed against my cheek, craving attention. As I gulped down his mate's load I switched to Joel, who reached down and held my jaw as his prick exploded with jizz, the first arc of which shot clear across my face before I managed to catch his tool in my mouth and milk him dry.

"AS I FELT HIS DICK JERK I SLAPPED HIS HELMET AGAINST MY TONGUE, JUST AS THE FIRST JET OF SPUNK SHOT OUT."

Once they were both spent Joel got himself tidied up and went to fetch us all another drink while I nipped to the bathroom to make myself a bit more presentable.

When I got back in the lounge, I found the lads grinning as they tucked into a couple of G&Ts, and I joined them on the sofa, but it soon became apparent that this was no time for a bit of idle chit-chat. I still hadn't been fucked, and my pussy was desperate for a bit of attention from these two fit young guys.

"Is anyone else a bit warm in here?" I asked casually, before unbuttoning my top and chucking it to one side. With my bra now exposed, it was a matter of seconds before I was being pawed by four hands, and my DD boobs were soon released from their confines.

Deciding to let them have their wicked way with me, I lay back and thrilled to the sensation of having both my stiff, sensitive nipples licked and sucked simultaneously. Once again I felt my pussy trickling juices, and, as I felt hands mobbing down to my skirt, I lifted my hips up so they could tug it down to reveal my silky knickers and stocking tops.

The knickers didn't last long either, though, and as I spread my thighs wide Greg knelt down between them eagerly. Splaying my juiced up lips with his thumbs, he leant forward and I felt his tongue brush against my clit, sending

shivers of pleasure through my body. With Joel still at work on my boobs, I now had two guys wholly intent on giving me pleasure, and their efforts didn't take long to pay off, as I felt my climax starting to build.

"Oh somebody fuck me!" I gasped, and Greg, yanking down his trousers, aimed his fat prick at my slot and drove it home to the hilt. Within a couple of deep thrusts I was there, and I groaned as I came, my juices slicking his shaft as he rammed into me.

Now I was theirs to do with what they would, and as Greg banged away at my snatch Joel knelt on the sofa next to me and fed his prick towards me, urging me to suck it again. I didn't need asking twice, and grabbed his shaft and pulled him into my mouth, which at least served to stifle the moaning as my pussy got the attention it had been craving all night.

After a couple of minutes of this the boys swapped positions, and as I formed an image in my mind's eye of what the whole scene must look like felt another orgasm building. This time I felt my body bucking wildly as I came with an intensity I'd never known before, every nerve in my body tingling as sparks of pleasure shot though me.

Finally I was spent, and, taking Greg's cock from my mouth and wanking it, I ordered the boys to cover me with their spunk. Joel slammed into me a few more times before pulling out and, with a couple of strokes of his glistening cock, sent a cascade of his come over me, while Greg aimed his prick at my boobs and began wanking furiously. I lay there, writhing and groaning until they'd both spurted and, just for good measure, I reached down and massaged their combined jizz all over my boobs and belly. I was in something like a daze, completely lost in the moment and thrilling at how liberating the whole thing felt.

"JOEL KNELT ON THE SOFA NEXT TO ME AND FED HIS PRICK TOWARDS ME, URGING ME TO SUCK IT..."

Eventually, when we'd all regained our composure, we all started to laugh! It was a pretty strange way to end things, but I think there wasn't really much we could say and, well, we were all feeling pretty euphoric!

Eventually, though, I noticed that it was getting late and figured it was time I headed home. Greg offered to walk me back, but I thought it'd probably be better if they didn't know where I lived, so instead I called a cab and got myself cleaned up for a second time.

Giving the boys one final, sloppy kiss, I headed down to the cab and home, where Terry was dozing when I crept into bed next to him.

"Nice night?" he mumbled, stirring slightly.

"Yes, very nice thanks!" I replied, glad that he wouldn't be able to see the huge smile on my face...

Back in the late-noughties, when I'd just finished Uni, my boyfriend Andy and I hooked up with a couple of friends of ours, who were also an item – Ginny and Richard – to head down to Glastonbury for the festival. It was quite a trek, but Richard assured us his car was up to the journey, despite it being a real old banger.

Sure enough, when we were still about 100 miles away from our destination, and right in the middle of a downpour, it developed an alarming rattle and, given the lateness of the hour, we found ourselves stuck in an out of the way spot with nowhere to stay but a rather quaint B&B until the garage opened the following morning.

> "HER FINGERTIPS TRACED DOWN THE SIDES OF MY PUSSY BEFORE FINDING MY LIPS..."

When she opened the door, the landlady eyed all four of us suspiciously and stated, "There are two rooms, one double and one twin. Girls sleep with girls and boys sleep with boys. That way there's no funny business."

We were all desperately trying not to laugh as the lads opted for the twin room, leaving Ginny and myself with the double. And so, with nothing else to do, we bade good night to the lads and headed to our room.

Rather than getting another soaking to get our luggage, we decided to make do with what we had. A quick hot shower made all seem right with the world and I slipped naked between crisp tight sheets and flicked the television on whilst Ginny showered. She pottered around the room in a large fluffy towel for a while before coming to bed. I heard the wet towel drop heavily to the floor but kept my eyes averted as she slid in beside me. However, as we chatted I couldn't help but notice that she hadn't pulled the sheet up over her bare breasts as I had and I found myself wondering what they felt like in comparison to my own.

Flicking up through the channels, there was one that seemed to be showing something faintly erotic. I automatically hurried past it but Ginny told me to go back. To be honest it was pretty tame stuff, however there was a lot of good looking naked flesh, both male and female and I could feel sexual tension building. If my boyfriend had been here, my fingers would be wrapping around his cock.

My erect nipples were standing out even through the thick sheets and I could feel my juices beginning to flow as my body prepared for sex. I was longing to touch myself but there was no way I could get away with any movement 'down below'

whilst sharing the bed.

I was aware of Ginny's warmth; in fact she seemed she'd been. I couldn't believe it but I was secretly hoping that she was going to touch me, which made the pressure in my groin worse.

I adjusted myself slightly and suddenly we were touching. Flesh against flesh, I wasn't exactly sure which bits were touching but the sensation was electrifying.

Name: KELLY
Age: 33
From: PERTH

I didn't think it would go any further and I jumped when her hand found my knee. It stopped momentarily, awaiting a rebuke but as none came, her hand traced a more confident path up my thigh. My legs came apart, willing Ginny to touch my most intimate area. Teasingly, her fingertips traced down the side of my pussy, before finding my lips and following them achingly slowly upwards and settling on my burning clitoris.

We didn't speak and I barely dared to breathe as Ginny started rubbing. The sensations were intense, her soft breasts pressing against my upper arm, the heat of her legs wrapped around mine and finally the wet touch of her pussy on my upper thigh.

The enormous sexual tension that had been building was about to detonate at this unexpected turn of events. This was going to be the first orgasm that a girl had given me. That thought set me over the edge and I tried feverishly to keep quiet for fear that our hosts might hear and throw us out into the rain. As my body pulsed in exquisite ecstasy Ginny burst out laughing at my muted squeaks and squeals and I couldn't help but join in with her. My pussy was still pulsing a few seconds later when there was the unmistakable sound of disapproving banging on the wall. This set off peals of laughter which were muffled by pillows.

When the laughter died down, Ginny flipped onto her back and I saw her legs come apart under the sheets. It was obviously an invitation for me to return the favour. My left hand traced across female flesh for the first time. I took the opportunity to squeeze her breasts, enjoying the soft firmness before exploring the smooth flat expanse of her belly and finally delving down between her legs. I found Ginny's groove and she instantly arched up in fiery pleasure. I'm not sure whether it was an orgasm or not but I waited for her to calm down and tried touching her again, with the same result. "I'm a bit sensitive down there," she said unnecessarily.

I had a really dirty idea and as I moved down, the way Ginny looked at me told me that she wanted me to do it. I kissed across her shoulder, down over her breast, pausing to lightly chew her nipple, and then I continued down through the roughness of her shaved pubis before landing softly between her legs.

The musk and heat of her pussy was deliciously inviting and I dropped my lips gently down onto her sex. There was still a jolt from her body but it wasn't nearly as intense and I was able to gently suck on her labia, drawing them into my mouth. Her mound pushed out to meet me and I explored more deeply between her folds, opening my mouth and pushing a soft tongue into her flesh.

There was a frighteningly loud moan from up the bed after which things became much more muted as Ginny made use of the concentrate my efforts on and I began a gentle circling rhythm that was my favourite way of getting off. I could feel the pressure building quickly and even her consciously stifled reaction told me that a massive orgasm was close. I imagined the fire in her clit flooding uncontrollably through her body as her legs clamped around my head and I felt the muscles spasm around my finger in her arse. When she released me, I crawled back up the bed and the night went eerily quiet.

"That was fucking amazing," Ginny whispered hoarsely.

"So much for no funny business," I laughed quietly as I curled my body in next to Ginny's, feeling more than a little pleased with my first lesbian experience.

"THE MUSK AND HEAT OF HER PUSSY WAS DELICIOUSLY INVITING, AND I DROPPED MY LIPS DOWN ONTO HER SEX."

NICOLA PALIN

If DJs on Middlesbrough's TFM knew what Nicola Palin was doing during their late night shows, they'd have trouble mixing their singles. The lonely 22-year-old from Yarm spends most evenings squirming around on her bed alone, playing with herself as she fantasises to the music on the radio. "I just can't find the right fella," she moans in her soft Teesside accent, "so I dream about my ideal guy seducing me to Whitney Houston. But it does me more harm than good. By midnight I'm so hot and wet I can't think of anything but sex." What sort of man keeps her awake till all hours? "Smart suit, blonde hair and slim as a rake," she says immediately. "And very cultured — just like *Mayfair* readers!" So if you like snogging to Whitney Houston, this lady needs your help!

MAYFAIR

Vol.56 No.01

On Sale March 3rd

Well there we are for another issue of the nation's top gentleman's periodical, but have no fear, because as soon as we've put this one to bed we'll start scouring the land for another cavalcade of cuties to shoot for the next issue. Talk about no rest for the wicked – sometimes I can't help wondering if things would be a lot more restful if we weren't quite so wicked here at *Mayfair*... but then again, that wouldn't be much fun, would it? Nope, it's heads down for some more naughty toil for us, all so that you lot can feast your eyes on the likes of Ella and Lia!
